MASTERCYCLER IN TRAINING!
Marty and her sister often tag along with mommy Dani Burger to our ReStore in Hilo. Dani is the Volunteer Engagement Manager and Board member for Recycle Hawaii and she has donated her time and energy to teach our staff at the ReStore about Zero Waste. Marty recently celebrated her 5th birthday and instead of receiving presents, she asked for donations for the ReStore! She definitely knows the 3 R’s—REDUCE REUSE RECYCLE!

AMERICAN SAVINGS BANK TEAM BUILD DAY!

Volunteers from American Savings Bank on Hawaii Island came out to help ‘RAISE THE WALLS” at a Habitat build in Mountain View.

Through their Seeds of Service program, ASB teammates volunteer their time and talents to help out various non-profits in their community.

“We rely on volunteers to help us build affordable homes for our local families,” said Patrick Hurney, Executive Director for Habitat for Humanity Hawaii Island. “Corporate Build Days are perfect for businesses that are looking to improve teamwork, communications, and relationship building while making a difference in the lives of hardworking families in need.

The bank generously awarded Habitat a $15,000 grant this year to be paid over 3 years through the Hawaiian Electric Industries Foundation to help us continue our work to provide affordable homes.

If you are interested in putting a team build for your employees, your will find more information online at http://www.habitathawaiiisland.org/eam-buildingtraining.html.

MARKETPLACE EVENTS BEACH & BUILD SWEEPSTAKES WINNERS

Marketplace Events has partnered with Habitat affiliates throughout the country and and raised over $203,000 to support Habitat’s mission to build strength, stability and self-reliance through shelter. This year’s Habitat for Humanity Build & Beach Sweepstakes winners were Claudia & David from Canada.

During their stay, they helped with a new build in Waimea and at our Ironman Booth in Kailua Kona.

Your donation will help us receive $100,000 from an anonymous donor that will go towards construction of a new Habitat home in memory of our former Board President, Deacon Michael Ross.
